

Dear Parent,

Thank you for supporting the ministry of Water's Edge Camp by sending your child to attend our summer camp programs. We consider it a true blessing to have the opportunity to minister to your child in this capacity. Please know that much prayer and planning has gone into preparing for the weeks of camp to come. In the months before sending your child to camp, please make a diligent effort to pray for the ministry of your campgrounds; specifically pray that God will show Himself to our campers (your children) in a very real and meaningful way.

There was an overwhelming amount of positive feedback regarding last summer's counseling staff. We will, again, be hiring our summer staff from Olivet Nazarene University. They will be serving as the counselors for the duration of the summer for all of our Nazarene summer camps. It was truly a blessing to work with such a committed group of people who are excited to see Jesus changing the lives of campers.

If you want to be at camp during the week that your child is a camper, you still can! You will not be able to be a counselor, but your volunteer efforts are still very much needed. Please pray about volunteering in the kitchen during a week of camp. Enclosed in this packet is the information regarding the kitchen volunteer position.

Every camper will visit the Canteen (snack shop) one time per day. If you want your child to be able to purchase items from the Canteen, you will need to turn in money upon registration. There will be a table set up when you arrive at camp for you to turn in money for their Canteen account. We will keep a record of the amount spent during the week, and at the end of the week we will return any unspent money to the camper. Just like last year, every camper will automatically receive a camp T-shirt; however, if they wish to purchase additional Water's Edge apparel, it will be available for purchase at the Canteen (using their Canteen Account). Canteen T-shirts are \$12 and hooded sweatshirts are \$25.

For driving directions to Water's Edge Camp, please visit our website at www.watersedgecamp.org or call the camp office at (517) 546-9683. Please do not hesitate to contact me directly by email with any questions or concerns.

Thank you and God bless,

Jon Croft
