

EMD MOMENTUM 2008
February 29 – March 1, 2008
Oakland University, Rochester, MI

January 22, 2008

Dear Youth Pastors, Youth Leaders, NYI Presidents, Pastors & anyone else investing their lives into the young people of EMD,

Greetings from the EMD-NYI ministries. We are once again anticipating the approach of our annual MOMENTUM event for the students of the Eastern Michigan District. This event is the precursor to Regional Celebrate Life (RCL) at Olivet Nazarene University (May 8-10, 2008). We are excited about returning to Oakland University and using their incredible facilities. Please note deadlines, it is very important that information be turned in on time, especially for the organizing of the athletic events. **Leaders: Please make copies of registration forms (& create your own cover letter) to distribute to your students. Have students return registrations to you along with payment (payable to your church/youth group); then send in group registration form, student & sponsor registrations along with one check (payable to EMD-NYI) for your group.**
